OUTSTANDING CLINICAL EDUCATOR AWARD

RECOGNITION OF RESEARCH ASSISTANTS

RECOGNITION OF CLASS LEADERSHIP

RECOGNITION OF PRO BONO CLINIC VOLUNTEERS

ACADEMIC EXCELLENCE AWARD

The Academic Excellence Award is awarded to the graduate who has a high grade point average and reflects the mission and vision of the program.

CLINICAL LEADERSHIP AWARD

The Clinical Leadership Award is presented to a graduate who exemplified outstanding performance in clinical practice.

SERVICE EXCELLENCE AWARD

The Service Excellence Award recognizes graduates who most exemplified outstanding service to others throughout their time in the Program.

PEER RECOGNITION AWARD

The graduates nominate a peer who consistently shares their knowledge and skills, acts as a resource for others and works for the benefit of the whole class.

JEAN JOHNSON AWARD FOR LEADERSHIP, EXCELLENCE, & QUALITY

The award is named for Dr. Jean Johnson, former senior associate dean for health sciences and dean for the School of Nursing. Dr. Johnson has been advocate of the Program since its inception. This award is given to the student who distinguished himself through academic performance, clinical excellence and service. This person may be responsive to the needs of others, or demonstrates some other personal quality that distinguishes them among their peers. The recipient may have volunteered for faculty-generated special projects or assignments, taken on leadership roles, or recognized a need to provide service beyond the physical therapy community. Ultimately, this recipient fulfills and advances the mission of the program.
